

The diagram shows a 3x9 grid of rectangles, labeled 1 to 9. The grid is composed of three rows and nine columns. The dimensions are indicated by arrows and labels:

- Horizontal dimensions (widths):
 - Columns 1, 2, 3, 4, 5, 6, 7, 8, and 9 have widths of 3.00.
 - Columns 1 and 2 have an additional width of 3.00.
 - Columns 3 and 4 have an additional width of 3.00.
 - Columns 5 and 6 have an additional width of 3.00.
 - Columns 7 and 8 have an additional width of 3.00.
 - Columns 9 and 10 have an additional width of 3.00.
- Vertical dimensions (heights):
 - Row 1 has a height of 3.00.
 - Row 2 has a height of 3.00.
 - Row 3 has a height of 3.00.
- Axis labels:
 - Horizontal axis: Labeled '1' at the top and '2' at the bottom.
 - Vertical axis: Labeled '1' on the left and '2' on the right.
